## VPPC EXHIBITS - INFORMATION

*IEEE-VPPC (Vehicle Power Propulsion Conference) is a great international Conference so it will be a meeting point for designers, users and engineers of the future transportation systems, offering the perfect stage for the personal relationships between companies, professionals and scientists.*

### Date

The exhibition will be organized during the conference from September 1<sup>st</sup> to September 3<sup>rd</sup> (2 ½ days). The booths will be prepared on August 31 afternoon.

### Conference Centre

IEEE-VPPC 2010 is organized in Lille Grand Palais ( <http://www.lillegrandpalais.com/> ), located in the centre of the town, a 5 minutes walk from the TGV/Eurostar train stations and only 10 minutes from the Grand Place. A parking is located under the conference centre.

### Exhibition area

The exhibition will be organized together with the dialogue sessions in a shared place within the main hall so that the best possible interaction with the conference participants can be expected. Moreover the poster sessions and coffee breaks will be located in the same area.

### Exhibition booths

The companies can rent modular booths of 6 m<sup>2</sup>, 12 m<sup>2</sup> or 18 m<sup>2</sup>.

The basic modular booth (6 m<sup>2</sup>) includes:
